**1.1** Its content is deemed to be legally and contractually binding on both parties.

**3.1 Postponement:** If the original reserved wedding date is changed and advanced by more than six months and the final balance has not been paid, we will require a further 20% deposit/reservation fee to secure and reserve the new advanced wedding date. This payment will be deducted from your final balance and is not an additional cost.

**3.2** We will make every effort to accommodate new dates, if the original date is postponed, but we are unable to operationally accept the new date, this situation will be deemed and handled as a cancellation of the original agreed contract.

**4.0 Consultations & Additional administration:** Each couple is entitled to a complimentary one-hour initial consultation and one-hour final design meeting. Emails, WhatsApp, Facebook, Pinterest and telephone contacts are all welcomed during the planning process, however, above average contact levels, additional meetings (other than detailed above), proposal and design alterations, booking date transfers, redesigns, revised costings, venue site visits; will all be deemed as additional costs, which have not been included or allowed for in the original costed and agreed proposal.

**4.1** We will need to levy additional administration fees to cover non-costed, additionally requested work. These costs will be discussed and agreed at the time the additional service requests are made by the client.
